

DOUBLE AWARD SUCCESS FOR BEACH RETREATS

Cornwall self-catering specialist, [Beach Retreats](#), has scooped two top awards in one week, firmly positioning the company as an industry leader in the eyes of both guests and travel experts.

As well as winning the title of Best Company for UK Holiday Home Rentals in the [British Travel Awards 2021/22](#), Beach Retreats has been named Best Property Manager in South West England at the STAA Property Manager Awards 2022.

Beach Retreats is all about being close to the best beaches, eating and drinking well and exploring beautiful places. The company received both awards for its exceptional

guest experience which fully immerses guests in the coastal lifestyle and ensures they are well looked after before, during and after their stay.

Through this experience offering Beach Retreats sees strong occupancy rates across its portfolio and high repeat bookings from loyal guests. In fact, almost 100% of guests say they would recommend Beach Retreats to friends and family.

The British Travel Awards is the largest consumer poll for leisure travel in the world, determining the best companies in the industry throughout the UK. The gala event was held at Battersea Evolution on 29 November, and over 300,000 people cast their vote.

Meanwhile, the inaugural STAA Property Manager Awards 2022 took place on 23 November, with award recipients chosen by an expert panel of judges. The Short Term Accommodation Association is the trade association for the short-term rental sector in the UK, supporting the sustainable growth of the sector.

Beach Retreats' managing director Andrew Easton, says: "The ability to enjoy a holiday with precious time spent with friends and family has a heightened sense of importance now more than ever. By putting ourselves in our guests' shoes, we help them to experience that special beach feeling, with every touch point tailored to create the coastal elation we know so well.

"As ever, I'm very proud of the team and what we continue to deliver in quality and service. These awards recognise their hard work through our ongoing growth."
