

The National Garden Scheme in Cornwall is delighted to announce its first opening this year!

The Antony Woodland Garden & Woodland Walk, Torpoint PL11 2QA will be open for the National Garden Scheme on Friday 3rd March 10.30-5.

Admission £8 Children free. Light lunches, cream teas and home-made cakes available from Broomhill Cafe.

The Antony Woodland Garden is an 'International Garden of Excellence', proudly boasting over 600 different varieties of Camellias, which will be looking their best on Friday. This beautiful garden is one of Cornwall's best kept secrets and visitors will also enjoy wandering through the tranquil woodland paths among carpets of spring bulbs.

Money raised from the entrance charges and sales of refreshments is donated to some of the UK's best - loved health charities such as Marie Curie, Macmillan Cancer Support, Hospice UK, Carers Trust and Parkinson's UK. Last year over £3million was raised nationally!

Full information about this and all other garden openings can be found on the website.
