

Planning Granted for New Attractions at Camel Creek

It's all systems go at Camel Creek Family Adventure Park in Wadebridge, with planning granted for their exciting new attractions opening this Easter.

Selected to complement their existing family rides, indoor play and animal fun, the attractions include a 9-hole adventure golf course, almost 7,000 sq. feet of new rustic adventure play and an additional indoor play space and café concept.

Themed around Cornwall's famous myths and legends, the new attractions will open this Easter when the park reopens after a winter refurbishment.

Graham Hayes, General Manager of Camel Creek commented:

"These new attractions are part of an entire park upgrade. We can't wait to welcome back members, Cornwall families and holidaymakers when we open at Easter."

The investment is part of an exciting development plan for Camel Creek.

Shipwreck Shores will boast a 9-hole pirate-themed Adventure Golf Course where every swing will bring visitors closer to uncovering the mysteries of Cornwall's maritime history, whilst, with turrets, drawbridges and slides, Merlin's Magical Playground will allow children to explore an exciting wood-based outdoor adventure play area. Additionally, a new concept combining indoor play and a café within the Hidden Garden will provide a place for enchanting play and captivating culinary delights!

Camel Creek has been open to the public since 1989 and covers over 111 acres and includes over 40 rides and attractions, 45,000 sq. ft of undercover fun and animals to meet.
