

## Camel Creek Family Adventure Park is officially open for Easter!

Camel Creek Family Adventure Park has reopened its doors this March and is looking forward to a busy Easter weekend ahead.

Camel Creek is hosting an array of Easter activities across the two week Easter holiday period including meet and greets with the star of the season, the Easter Bunny, an Easter trail and a live Easter Bunny show!

Following a winter refurbishment and substantial investment, Camel Creek has successfully reopened this month with a sold-out member-exclusive preview weekend on the 16th and 17th of March. General Manager Graham Hayes has overseen an extensive refurbishment project, introducing three brand new attractions for 2024, enhancing indoor play areas and food and beverage facilities plus improving accessibility.

As the Easter break approaches, the Camel Creek team has eagerly been getting the park ready for visitors, ensuring that all the new and improved facilities offer the ultimate experience for the public.

### **Graham Hayes, General Manager of Camel Creek commented:**

*"The team and I could not be more excited for the official reopening of Camel Creek this Easter weekend. We have undergone a large refurbishment with the aim to provide both locals and tourists with a fantastic day out in Cornwall. We can't wait for everyone to witness and enjoy Camel Creek's brilliant atmosphere once again."*

During the second week of the school holidays, Camel Creek is hosting Family Entertainment Week where the fun continues with amazing shows from a variety of fabulous entertainers, including jugglers, bubbleologists, and magicians!

With tickets selling fast, don't miss out! Book online now and save up to 20%.
