Boardmasters' famous After Parties are back for 2024, bigger and better than ever, and today the line-up is revealed. The hottest late night parties in Newquay town centre will be taking place over four nights during Boardmasters festival. With a world-class line up, featuring the biggest names in electro, house and more, the After Parties are not to be missed. Tickets for Boardmasters After Parties start at just £14.50 and are on sale from 23rd May via www.boardmasters.com. Boardmasters, Cornwall's own surf and music festival takes place from 7-11 August 2024.

Boardmasters After Parties will be coming to two of Newquay hot spots. Berties; a 2,000 capacity venue across three rooms has been named one of the town's top three biggest clubs and one of the best nightclubs in Cornwall. And down the road, Sailors is a 1,200 capacity club spread over two rooms and boasting a roof terrace with late-night Newquay Bay views. Sailors has undergone a recent, major refurbishment, transforming the venue and cementing it as a must-attend clubbing destination in Cornwall.

Kicking off on Wednesday 7 August at Berties, it's **K Motionz**. Arguably the D&B circuit's most hyped newcomer, K Motionz has already taken the scene by storm, collaborating with the likes of Ardee and Songer. Not to be missed, festival goers can head to Berties to see K Motionz in action.

On Thursday, the party continues in Berties, with one of the fastest rising Electronic artists, **Badger**, who is ready to drop banger after banger. **Badger's** most iconic moment is his edit of "These Words" by Natasha Bedingfield, which landed a place in the Top 40 and racked up more than 6.5 million streams within the first 10 days, so expect a chart topping, high octane performance this summer!

Head to Sailors for Friday night's party, starting the weekend right by listening to **Gok Wan's** biggest floor filling anthems. Gok decided to pursue his passion for house music and DJing in 2015, and the rest is history. One of the most in-demand celebrity DJs, spinning records at the top UK clubs and at sold-out festivals, he is set to attract one of the biggest crowds of the weekend, following a set up at Watergate Bay.

Saturday night in Sailors will see Brit nominees **Switch Disco** on the decks - the UK's #1 mash-up duo have been a formidable two-man team for almost 10 years after their individual careers in the UK and Greece collided. 2024 is their year with a 21-week residency at Ibiza Rocks, so no doubt they'll bring the Ibiza Vibes to Sailors. Get ready to two step the night away with this iconic duo, keeping the vibes going to the early hours.

These exclusive After Parties are strictly aged **18+**, running from 22:30 - 4:00 from Wednesday 7 - Saturday 10 August 2024. Attendees from the festival site at Watergate Bay can make their way to and from Newquay town centre using the Boardmasters Shuttle Bus service which runs until 4:30. Tickets are sold separately to Boardmasters festival tickets, and starting from £14.50, they're expected to sell fast!

Previously, After Parties have served up some of the biggest names including Ben Hemsley, GirlsDontSync, Shy FX, Nathan Dawe, Andy C, Bou, Jax Jones, Mistajam, Tom Zanetti. And this year is no different...

Boardmasters is gearing up to be the most epic edition to date, headlined by Chase & Status, Sam Fender and Stormzy, along with 120+ of the world's biggest artists. Plus, World Surf League returns to Cornish shores for the Boardmasters OPEN. Over the course of five thrilling days, festival-goers can come to Fistral Beach in Newquay to witness some of the most exciting names in international pro surfing take to the waves.

Boardmasters is back this year from **7 - 11 August 2024** - see you at the beach.

About Boardmasters

Inspired by the freedom, adventure and creativity of surfing and music, Boardmasters was born in 1981. Expect parties that run late into the night and a beautiful beach to recuperate on during the day. The 5-day event is situated across two stunning locations in Cornwall - the surfing mecca of the UK, Fistral Beach, where world class International Surf Competitions take place, and arguably the most stunning location in the country to watch live music, Watergate Bay.
