

**SEA LIFE TRUST Cornish Seal Sanctuary  
FOR IMMEDIATE RELEASE**

**Become an 'Ocean Explorer' this summer at the Cornish Seal Sanctuary**  
Inspiring the next generation of Marine Conservationists with LEGO® fun.

As part of their summer activities onsite, The Cornish Seal Sanctuary is excited to announce creative and educational workshops for children, focusing on the importance of marine conservation.

With creative workshops throughout the day, including seal pup rescue demonstrations and informative talks from the charity's dedicated team, the sanctuary is hoping to inspire the next generation of ocean conservationists.

Alongside these activities, children can participate in The LEGO Group's "Build the Change" programme. Children will be able to learn about real life sustainability challenges creating their own ideas to protect Sea Turtles, building with LEGO bricks.

Children will reflect on ways the changing climate threatens animals like sea turtles, then show their own brilliant ideas for protecting them, all while learning through play.

The event will run for six weeks, providing ample opportunity for families to participate.

**Inspiring the Next Generation of Conservationists**

The Sanctuary aims to engage young minds with hands-on activities that inspire creativity and environmental awareness. By combining fun with education, this event encourages children to explore the wonders of marine life and the critical role of conservation.

*"Our mission here at the Cornish Seal Sanctuary is to inspire a love for marine life and a commitment to protecting it,"* said Sarah Pegg, General Manager at the Cornish Seal Sanctuary.

*"Through activities like the LEGO Build The Change Programme and seal pup rescue demonstrations, we hope to educate and inspire the next generation of ocean guardians."*

During the event, children and their families will also have the chance to learn about the SEA LIFE TRUST's ongoing efforts to protect our world's oceans through conservation projects and beach cleans.

The Cornish Seal Sanctuary, located in Gweek, Cornwall, is dedicated to the rescue, rehabilitation, and release of injured and orphaned seals, with around 60 seal pups coming through their doors each year. The Sanctuary is also home to resident seals and Icelandic puffins who cannot be released due to lifelong conditions and injuries.

**Visiting the Cornish Seal Sanctuary**

Open every day from 10am- 5pm

Book your tickets online 2 days in advance to take advantage of a 20% discount.

[Tickets \(sealifetrust.org\)](https://sealifetrust.org)

Don't forget...Pay once and receive an entry pass that's valid for 12 months...so you can visit your favourite seals and puffins again and again!

\*The LEGO 'Build the Change' activity is included in admission to the Cornish Seal Sanctuary.
