Ahead of their headline set at this year's TRNSMT Festival, rock heroes Biffy Clyro have been announced to play the Eden Sessions on July 10, 2025, the first time the band have ever played in Cornwall. They will be joined by special guests Nova Twins.

Biffy are one of the UK's most successful rock bands and have performed numerous headline sets at the likes of Reading and Leeds Festivals, Download Festival, TRNSMT and Isle of Wight Festival. They have released three UK number one albums.

They completed their most recent arena tour in November 2022, including sold out shows at The O2 in London and Glasgow's OVO Hydro. The band have risen from their independent roots to become one of Britain's most renowned live acts, described as "simply astonishing" by Kerrang! and "crowd-pleasing without compromise" by NME.

Biffy have received numerous awards, including four NME Awards (Best British Band twice, Best Live Band and Best Music Video), five Kerrang! Awards (Best British Band twice, Classic Songwriter, Best Album and Best Music Video) and two Q Awards (Best Live Band and Best Album).

They have also been nominated for three BRIT Awards (all for Best British Group, most recently in 2021) and a Mercury Prize for their lauded 2009 album *Only Revolutions*.

Mercury Music Prize and two-time BRIT Award nominees Nova Twins are one of the most celebrated duos in modern rock music. Their Mercury Music Prize nomination in 2022 made history as the first black rock band to be shortlisted and their campaigning in the same year led to alternative music being recognised in its own category for the first time at the MOBO Awards.

Known for their electrifying sound and performances, they've shared stages with music icons like Foo Fighters, Muse and Bring Me The Horizon, performing at festivals across the world, including Glastonbury and Summer Sonic in Japan.

Rita Broe, Eden Sessions managing director, said: "Biffy are one of the most exciting and celebrated British rock bands of recent years and we can't wait to see them and Nova Twins play against the backdrop of the Eden Project Biomes.

"Biffy always rank highly among bands people would like to see at the Eden Sessions so it's incredibly exciting to be able to bring them to Cornwall for the first time."

Tickets for Biffy Clyro at the Eden Project on Thursday July 10, 2025, cost £70.90 plus a £9.30 booking fee and are available through [www.edensessions.com](http://www.edensessions.com).

Tickets will be on sale to Inside Track pass-holders at 10:00am on Tuesday 25 February. The general ticket sale is at 3:30pm on Thursday 27 February.

In September 2019 the Eden Project and global live events company AEG Presents announced a new partnership, Eden Sessions Ltd, to run the Eden Sessions.

In January 2025, Volvo Car UK extended their partnership as the Presenting Partner of the Eden Sessions and Official Electric Car Partner of the Eden Project.
